DepEd ORDER
No. 9, s. 2015

SCHOOL CALENDAR FOR SCHOOL YEAR (SY) 2015-2016

To: Undersecretaries
   Assistant Secretaries
   Bureau Directors
   Directors of Services, Centers and Heads of Units
   Regional Directors
   Schools Division Superintendents
   Heads, Public and Private Elementary and Secondary Schools
   All Others Concerned

1. The School Calendar for School Year (SY) 2015-2016 shows the school events and activities for the said SY. The core events and activities for this SY, which represent the actual teaching-learning days, shall be strictly observed in all schools.

2. The SY 2015-2016 shall begin on Monday, June 1, 2015 and shall end on Friday, April 1, 2016. The SY will consist of 201 school days, inclusive of the five-day In-Service Training (INSET) break. The different school events and activities, including the number of school days per quarter, are contained in Enclosure No. 1.

3. Private schools may deviate from this School Calendar. However, they may not start classes earlier than the first Monday of June and not later than the last day of August, as provided in Republic Act (RA) No. 7797 entitled An Act to Lengthen the School Calendar from Two Hundred (200) Days to Not More Than Two Hundred Twenty (220) Class Days. They should notify the appropriate DepEd officials in advance regarding any deviation.

4. Specific guidelines are provided in Enclosure No. 2 to enable the schools to effectively and efficiently conduct/undertake/implement the school events and activities and to allow the regional offices (ROs) and schools division offices (SDOs) to provide support to the schools, especially in the areas of instruction and progress monitoring and evaluation.

5. Schools may observe national and local celebrations, holidays and advocacy activities other than those indicated in Enclosure No. 3, provided that the total number of school days shall not be compromised. Make-up classes can therefore be conducted to compensate for the school days spent for activities deemed beneficial to the learning-teaching process. Likewise, make-up classes are recommended in lieu of no-school days due to occurrence of a natural and man-made calamities. A mechanism for having make-up classes must be agreed upon by school administrators and parents. In this regard, the RO may issue a regional school calendar to reflect their respective concerns.

6. Immediate dissemination of and strict compliance with this Order is directed.

This is inclusive of the 5-day semestral break. The parent-teacher conferences shall be held on the second or third Saturday after every quarterly examination. The conference is intended to apprise the parents on the progress of performance of their children and ensure parental involvement in school activities. The last week of every quarter shall be the culmination of students’ outputs and performances in order to demonstrate attainment of performance standards at all grades/year levels. To ensure quality in the school operation and actual teaching-learning, a 180-day non-negotiable contact time for teachers, and the physical presence of school heads is expected every school day, even during attending official business, the 201 days shall be enforced.

2. As part of the opening rites, all schools are expected to conduct a general assembly for the purpose of orienting stakeholders on the curriculum, co-curricular programs and ancillary services lined up for the year in support of learner development and continuous improvement of school outcomes. Orientation shall be done the week before the first day to ensure that conduct of classes is done from the first day of classes. For the secondary level, the general orientation shall include a career exposure program for the Grades 7-10 students to acquaint them with the various career pathways they can pursue. Meanwhile, a career guidance program for Grades 9-10 students, shall be conducted between July and November 2015 to help prepare the students for possible careers or courses they wish to pursue after high school.

The result will be used as basis for planning and formulating appropriate interventions for children. Meanwhile, all secondary schools shall perform a diagnostic assessment on the readiness for learning of Grade 7 students in order to prepare developmentally-appropriate intervention programs.

4. At the end of the Second Quarter, a midterm break shall be observed to evaluate individual teachers and their collective performance, as well as to conduct the In-Service Training (INSET) activities in support of the continuing professional development.
